

Scenic View CAMPGROUND

On the Baker River

January 18th, 2023

To our valued customers:

We are fortunate that camping lends itself to social distancing. Whether it is enjoying a walk in our nature area, taking a long scenic drive, fishing in the Baker River, or simply relaxing by the campfire there are many opportunities to social distance.

Our top priority is to keep our guests and staff safe, and we will continue to take measures to do so. Some of the steps we are taking include limited contact at check-in, hand sanitizer stations provided in common areas and frequent sanitization of highly touched surfaces.

We currently don't have any restrictions relating to COVID-19 and the use of masks, capacity limits, distancing etc. We have increased our sanitization procedures; however, we cannot guarantee that you will not contract the COVID-19 virus and there is an inherent risk involved with entering any facility where there are many people. Only camp if you feel comfortable doing so. If you have any questions regarding our current operations, please feel free to give the office a call at (603) 764-9380 or by email: info@scenicviewnh.com.

We do ask that if a member of your camping party is feeling sick or has been in contact with someone who has had COVID-19 please stay home. Unfortunately, we are not able to offer refunds for reservations that need to be cancelled due to COVID-19 and our standard cancellation policies apply.

Sincerely,

Scenic View Staff
