

**Scenic View Campground
COVID-19 Updates
January 26, 2022**

To our valued customers:

We are fortunate that camping lends itself to social distancing. Whether it is enjoying a walk in our nature area, taking a long scenic drive, fishing in the Baker River, or simply relaxing by the campfire there are many opportunities to social distance.

Our top priority is to keep our guests and staff safe and we will continue to take measures to do so. Some of the steps we are taking to keep you safe include limited contact at check-in, hand sanitizer stations provided in common areas and frequent sanitization of highly touched surfaces.

The store will be open to the public, masks are recommended in addition to social distancing. In addition, we will have a **check-in/check-out window** to minimize contact.

Our bathhouse is open and sanitized regularly.

Visitors (day or overnight) will be permitted however there may be no more than a maximum of 7 persons registered to any one site (including the registered campers). This applies to both day and overnight guests.

Our pool is open on a first come first serve basis with maximum capacity restrictions. During busy times we ask that you limit your visit to the pool to an hour or less to allow others to enter the pool area.

Social distancing is in place, and it is recommended that guests keep a social distance of 3 feet from other guests not in their group while in public areas within the campground. Sites are limited to no more than 7 persons or less per site.

If you are sick or have been around others that have been sick or had COVID-19 symptoms, stay home! Give the office a call and we will work with you to reschedule your stay. We will do our part to help prevent the spread of COVID-19, but you must also do your part. By choosing to stay with us you are accepting full responsibility for your health and wellbeing of yourself and those included on your reservation. Scenic View Campground is not responsible for anyone who is or may become sick with a virus or illness.

Again, we thank you in advance for your understanding during this difficult time, and we hope to see you soon.

Sincerely,

Scenic View Staff
